

Utah Labor Commission Form Application – Beta (staging for testing purposes only) 3/10/2011

Registering to use the Forms Application:

You can register to use the forms application as an individual physician or as a treatment facility that would submit forms on behalf of physicians that work out of that treatment facility. After you register you can use the web form to submit 123 forms, and submit 123 form data through the companion webservice. To register go to this site:

[https://webaccess.laborcommission.at.utah.gov/iaforms](https://webaccess.laborcommission.utah.gov/iaforms)

From the main screen you can login to the application or:

Register

To go to the registration page click the registration link and you will have the following options listed below.

Recover Your Password

To recover your password click the recover password link and enter your registration email. Your password will be sent to your registered email address.

Register as a Physician:

To register as an individual physician you select Physician as the registration type from the registration type list and the needed fields will be displayed. Enter the information and click the submit registration button. If the registration was successful you will be taken to the login screen. If there was a problem with the registration a message will be displayed. Make sure and use a valid email address for the registration email because that will be used for the password recovery option.

Registering as a Facility:

To register as a facility you select Facility as the registration type from the registration type list and the needed fields will be displayed. Enter the information and click the submit registration button. If the registration was successful you will be taken to the login screen. If there was a problem with the registration a message will be displayed. Make sure and use a valid email address for the registration email because that will be used for the password recovery option.

Using the Form Application

After you login to the application you will see the following screen:

From this screen you can do the following:

Submit 123 Form Data

When you click the Form 123 link you will see the following view with your physician or facility information pre-filled:

The screenshot shows a web browser window displaying the Utah Labor Commission website. The page title is "Physicians Initial Report of Work Injury or Occupational Disease". The form is pre-filled with the following information:

- Physician: Michael Treater, MD, 1011-1111
- Carrier: 1011-1111
- Patient: 1011-1111

The form includes a "Reset Form" button and a "Submit" button. The form is titled "Physicians Initial Report of Work Injury or Occupational Disease".

Fill in the form and click the submit button. After you click the submit button the form data is validated and if there are missing or invalid data entries a message appears under the field. If the data is valid you are prompted to confirm the submission. After you confirm the submission the form data is submitted and a message is displayed saying that the form data was successfully submitted. In addition to the success message being displayed a button to submit more 123 forms is displayed and a button to print or download a PDF version of the 123 for that submission is displayed.
